The vessel shall be so constructed as to adequately and satisfactorily care for the transportation of passengers, vehicles, animals and freight on the route, shall be provided with life-jackets and otherwise adequately equipped for the service intended, and be kept in a cleanly state throughout, or in accordance with the Canada Shipping Act.

Prior to the issuance of the licence, the Licensee shall, at its own expense, obtain from a qualified Steamboat Inspector a certificate as to the seaworthiness of the vessel to be employed under the said licence, and shall file the said certificate with the Minister of Public Works.

P.C. 5016

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDY, the 5th day of December, 1946.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL

HIS Excellency the Governor General in Council, on the recommendation of the Minister of Mines and Resources and pursuant to the provisions of the Dominion Lands Act, Chapter 113, Revised Statutes of Canada, 1927, is pleased to amend the Regulations for the disposal of Quartz Mining Claims on Dominion lands in the Northwest Territories made by Order in Council P.C. 507 of March 4, 1932, as amended, and they are hereby further amended as follows:—

1. Section 2 to the said Regulations is amended by adding thereto, the following:—

"The expression 'marginal', as applied to a Mineral Claim, means a Mineral Claim situated on the margin of a body of water and only partly covered by such water, and staked in accordance with Sections 24 to 31, both inclusive, of these Regulations and having at least one corner situated on land.

The expression 'submerged', as applied to a Mineral Claim, means a Mineral Claim located in accordance with the provisions of Section 31A of these Regulations and completely covered by water."

2. Sections seven, eight and forty-nine of said Regulations are revoked.

3. The following is added as Section seven to the said Regulations:—

"7. (1) Upon any forfeiture or loss of rights in a mineral claim, the Mining Recorder shall forthwith enter a note thereof with the date of entry upon the record of the claim, and shall mark the claim 'Lapsed'.

(2) Relief from forfeiture or loss of rights, as provided in Section 65 of these Regulations shall also be noted on the record of the Mineral Claim by the Mining Recorder."

4. Subsection six of Section fourteen of the said Regulations is revoked and the following substituted therefor:—

"6. The Minister, upon proof to his satisfaction of the wilful contravention by any person holding a Miner's Licence of any of the provisions of these Regulations, may revoke the Miner's Licence of that person and may direct that no other Miner's Licence be issued to that person during such time as the Minister may, in his discretion, prescribe."

5. Section twenty-four of said Regulations and the head-note of such section are revoked and the following substituted therefor:—

"How a Mineral Claim other than a Submerged Mineral Claim shall be Staked

"24. Every mineral claim, other than a submerged mineral claim, shall be marked on the ground by four (4) legal posts firmly planted in the ground, one at each of the four corners of the claim, beginning with and marking that at the northeast corner 'No. 1'; that at the southeast corner 'No. 2'; that at the southwest corner 'No. 3'; and that at the northwest corner 'No. 4', so that the number shall be on the side of the post toward the post next following it in the order named. In treeless territory remote from any adequate timber supply, this may be modified in accordance with the method prescribed in section two in the definition of a legal post."

6. Section twenty-nine of said Regulations is revoked and the following substituted therefor:—

"29. In case it is found impossible, owing to the presence of water or other insurmountable obstacle, to set a corner post in its proper position, the locator shall set up a 'witness post' on a boundary line, if practicable, as near as possible to where the post should have been placed, and upon this witness post he shall, in addition to the information already prescribed in these Regulations to be placed on the corner post, place the letters 'W.P.', and further he shall place on the 'witness post' the distance in feet from the 'witness post' along the boundary line to the true corner of the mineral claim, and if the 'witness post' is not placed on a boundary of the mineral claim he shall, in addition, place on the 'witness post' the direction from the 'witness post' to the true corner of the mineral claim."

7. The second sentence of Section thirty-one of said Regulations, which sentence reads:—

"The locator shall submit, with his application, a plan in duplicate showing as nearly as possible the position of the location applied for in its relation to the permanent topographical features of the district and to the adjoining claims or some other known point; also the position of the stakes by which the location is marked on the ground."

is revoked and the following substituted therefor:—

"The locator shall submit, with his application, which shall be in duplicate, a plan in duplicate showing as nearly as possible the position of the location applied for in its relation to the permanent topographical features of the district and to the adjoining claims or some other known point; also the position of the stakes by which the location is marked on the ground."

8. The said Regulations are further amended by inserting immediately after Section thirty-one the following as Section thirty-one-A:—

"How to Locate a Submerged Mineral Claim

"31A. (1) Subject to the limitation set out in subsection two of this section, where a licensee has located or acquired a marginal mineral claim and has reason to believe that the ore body upon which he has located extends under the water, he may locate by means of a post for each claim, placed as prescribed in subsection four of this section, not more than two submerged mineral claims by producing opposite sides of the mineral claim the required distances to include not more than 51.65 acres in each submerged mineral claim. A submerged mineral claim shall not, in any circumstances, exceed 51.65 acres.

(2) The number of submerged mineral claims which may be staked from any one marginal mineral claim shall not, in any circumstances, exceed two submerged mineral claims.

(3) Under the same conditions and subject to the same limitation, not more than two submerged mineral claims may be staked for another licensee, but such mineral claims must be staked in the same manner from a marginal mineral claim staked for or held by that licensee.

(4) The post referred to in subsection one of this section shall be made and planted firmly in the ground in the same manner as a legal post and shall be placed as close as possible to the post witnessing or marking the nearest corner of the marginal mineral claim. This post shall bear the following markings on the side facing in the direction of the submerged mineral claim:—

(*a*) The name given to the submerged mineral claim;

(*b*) The name of the licensee locating the submerged mineral claim and the number of his licence;

(*c*) The date and hour of locating;

(*d*) If the mineral claim is located on behalf of another licensee, also the name of such other licensee and the number of his licence;

(*e*) The letters 'S.C.', denoting submerged claim; and

(*f*) The direction of the submerged claim.

(5) A submerged mineral claim shall not be staked from any marginal mineral claim located on an island whose greatest length or breadth is less than one-hundred feet.

(6) Every submerged mineral claim shall be so indicated by the Mining Recorder on the form 'B'—Record of a Mineral Claim—and upon the record of that Mineral Claim."

9. The third sentence of Section thirty-seven of said Regulations, which sentence reads:—

"The application shall be in the prescribed form and shall be accompanied by a plan, in duplicate, showing the position of the claim as prescribed by Section thirty-one of these Regulations."

is revoked and the following substituted therefor:—

"The application shall be in duplicate and in the prescribed form and shall be accompanied by a plan, in duplicate, showing the position of the claim as prescribed by Section thirty-one of these Regulations."

10. Section thirty-eight of said Regulations is revoked and the following substituted therefor:—

"38. In the event of the claim being more than one hundred miles, by travelled route, from the Recorder's Office, and situated where other claims are being located, the licensees, not less than five (5) in number, are authorized to meet and appoint one of their number an 'emergency recorder.'"

11. Section thirty-nine of said Regulations is amended by deleting the words, letters and figure

"Form 'A' or 'A-1'" where they occur in said section and substituting therefor the following:— "Form 'A', 'A-1' or 'A-2'".

12. Section forty of said Regulations is revoked and the following substituted therefor:—

"40. No mineral claim shall be recorded unless the application is accompanied by an affidavit or solemn declaration made by the applicant on form 'A' of these Regulations, or if it be a fractional mineral claim, in the form 'A-1', or if it be a submerged mineral claim, in the form 'A-2'."

13. Section forty-three of said Regulations is revoked and the following substituted therefor:—

"43. (1) Except in cases to which the provisions of Subsection (2) of this Section apply, the record of a mineral claim shall be made at the office of the Mining Recorder for the district in which the claim is situated, but the application may be made to an agent of Dominion lands, a sub-agent, a Mining Recorder or sub-recorder, to be forwarded to the Mining Recorder for the district in which the claim is situated. The date upon which the application and the fee may be received in the office of the Mining Recorder for the district in which the claim is situated, however, shall govern, and shall be considered the date of the application.

(2) Where a prospector stakes a number of adjacent mineral claims, any one of which lies across the boundary or boundaries of adjoining mining districts, or which the prospector or Mining Recorder may believe to lie on or near such boundary or boundaries, the prospector may record the claims in the office of any one of the mining districts, the boundary of which lies across or near his claims. In such cases the prospector shall prepare such additional copies of his affidavits and sketches as are required for filing in other mining districts which may be affected and deliver them to the Mining Recorder who shall forward certified copies of the documents filed with him to the Mining Recorders of such other mining districts. The Mining Recorder with whom such mineral claims are first recorded may on his own initiative file copies of documents respecting any mineral claim which he believes lies near or across the boundary of another mining district with the Mining Recorder of that district.

(3) Mining Recorders shall keep a special record of—

1. such mineral claims originally recorded in his office;
2. mineral claims which were originally recorded in the office of another Mining Recorder and later recorded in his office.

(4) Any persons desiring to file a document affecting any claim recorded under the provisions of Subsection (2) of this Section shall file such document in the office of the Mining Recorder who issued the Form 'B' and supply such Mining Recorder with certified copies of such document for filing in the office of the Mining Recorders of the other mining districts affected.

(5) A Mining Recorder shall make no charge for filing certified copies sent to him by another Mining Recorder."

14. Section fifty of said Regulations is revoked and the following substituted therefor:—

"50. When any Mineral Claim is lapsed, forfeited or cancelled, the recorded holder of that Mineral Claim may, with the consent of the Mining Recorder and under such conditions and within such time as the Mining Recorder may prescribe, remove any machinery and personal property which he may have placed on the Mineral Claim."

15. Section fifty-two of the said Regulations is amended by adding at the end of subsection (2) thereof the following:—

CERTIFIED to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 12th December, 1946.

THE Committee of the Privy Council have had before them a report dated 5th December, 1946, from the Minister of Mines and Resources, representing:

That "Canuck Explorers Limited" the recorded owners of mineral claims "Vega" 1 to 6 and "Joe" 4 to 6, both inclusive, situated in the Yellowknife mining district in the Northwest Territories, neglected to file an application for an extension of time for the performance of representation work upon the said mineral claims before October 4, 1946, as required by the Regulations for the disposal of Quartz Mineral Claims on Dominion Lands in the Northwest Territories;

That the Secretary of the company has filed an affidavit to the effect that a letter was written from his office, enclosing a cheque for $45, to the Mining Recorder at Yellowknife on September 17, 1946, and that not receiving a reply to his letter he communicated with the Mining Recorder and was advised by him on October 29, 1946, that the letter with the cheque had not been received, by which time the claims had already lapsed.

The Committee, therefore, on the recommendation of the Minister of Mines and Resources, advise that, pursuant to the Dominion Lands Act, Chapter 113 R.S.C. 1927, authority be granted to reinstate the nine mineral claims above mentioned at the risk of the holder in whose name these claims were recorded subject to the rights of any persons who may have acquired any interest under the provisions of the said Regulations covering the whole or any portion of the ground and further authority be granted to the Minister of Mines and Resources to accept the requisite fee and grant an extension of time not beyond the 30th June, 1947, within which to perform upon the said mineral claims the representation work prescribed by Section 52 of the said Regulations.

1. Canadian citizens,
2. British subjects permanently resident in Canada,
3. Aliens permanently resident in Canada who have applied for Canadian citizenship,
4. Companies, municipalities or any other bodies constituted or incorporated under the laws of Canada or its provinces.

DEPARTMENT OF EXTERNAL AFFAIRS

CLAIMS BY VICTIMS OF NAZI OPPRESSION

1. The British Control Officers for Germany and Austria have announced that arrangements have been made to enable persons who have claims in respect of property of which they were dispossessed in Germany by Nazi persecution or discrimination to forward their claims to Germany through official channels. These arrangements extend to claims in respect of property in all zones in Germany. The Canadian authorities are prepared to forward claims for property in all zones to the appropriate authorities in the zone concerned.

2. It is requested that claims be prepared in the form of an affidavit in sextuplicate, four copies being in English or in French and two in German, to include all relevant information expressed as concisely as possible. In particular, the following details should be given:—

(*a*) The Kreis in which the property is or is believed to be located (this should be clearly marked at the top of the paper);

(*b*) The name and address of the person believed to be in possession of it, description to assist identification, estimated value, the circumstances in which, the grounds on which, and by whom the property was seized or confiscated, and any payment made on it.

3. Claims should be addressed to:

The Under-Secretary of State
for External Affairs,
Ottawa, Ontario.

Persons who have already submitted particulars in affidavit forms to the Department of External Affairs need not forward any further submission.

4. It is emphasized that in offering these facilities the Canadian and United Kingdom authorities are concerned only to provide claimants, in the absence of normal postal facilities to Germany, with an opportunity for placing details of their claims on record with the appropriate authorities in Germany pending the establishment of machinery for dealing with them.

5. No correspondence can be entered into with regard to these claims nor can the Department of External Affairs undertake to provide reports on the properties. In providing these facilities, the Canadian and United Kingdom authorities accept no liability for such claims.

and claims should be submitted on these forms not later than February 28, 1947. Persons who have already submitted claims in affidavit form to the Department of External Affairs need not forward any further submission.

POST OFFICE DEPARTMENT

REGULATIONS GOVERNING MAIL RECEPTACLES IN APARTMENT HOUSES

PUBLIC Notice is hereby given that effective 1st January, 1947, in pursuance of the provisions of paragraph (x) of Subsection One of Section Seven of the Post Office Act, the regulations governing mail receptacles in apartment houses which appeared in the *Canada Gazette,* dated 17th December, 1927, No. 25, Vol. LXI, are amended to read as follows:

Apartment houses, family hotels and flats having three or more apartments (except as hereunder provided) must have installed in a convenient place—readily accessible to the Letter Carrier—a group mail box system comprising an individual mail box for each tenant, including the janitor.

Each group of boxes shall include a number of individual boxes each equipped with a door for the use of the patron and a master door for use by the Letter Carrier.

The number of groups will depend upon the number of apartments to be served, but no group shall consist of more than seven boxes.

These mail receptacles shall be constructed of rust resisting metal—preferably Terne Plate—of suitable gauge and durability.

The inside dimensions of the individual boxes shall be not less than $14\frac{3}{4}$" in height, $3\frac{5}{16}$" in width and $4\frac{1}{2}$" in depth.

The door of each individual box shall be furnished with a three tumbler type lock, or the equivalent; no two boxes in the same building to be opened with the same key.

Each group of boxes shall be equipped with a master door, hinged at the bottom with the pin set horizontally and with a minimum opening of 90 degrees, fitted to accommodate the standard Post Office apartment house lock, the fittings so arranged that the bolt of the lock shall engage at least $\frac{3}{16}$" when locked.

Along the upper frame of each group of boxes a suitable label holder shall be provided over each individual box to hold a card showing the name of the tenant and accessible to him at all times for change or renewal.

In the door of each individual box provision shall be made for the insertion of a card giving the tenant's name and apartment number.

Openings in the doors of the individual boxes shall be so designed that the tenant can see whether or not there is any mail in the box, but at the same time prevent others from reading any part of the contents.

A slot may be provided in the face of each individual box for the purpose of receiving calling cards, notices of telegrams, and other similar items. This slot shall be not more than 3" in length by $\frac{1}{8}$" in width.

Openings necessary for the attachment of electrical fixtures, telephones, etc., shall not provide access to the interior of any of the mail compartments.

The manufacture and installation of mail boxes shall be such as to protect the contents of the box against damage by rough or sharp edges, projections and condensation.

Group mail boxes shall be manufactured in Canada.

When boxes are being installed they are to be placed so that the height from the floor to the keyhole of the master lock will be 59" for a single row mounting and 66" for the upper row of a double row mounting.

A postcard form shall be enclosed in each unit manufactured. This card is to be used by those responsible to notify the Postmaster of the size, type and date of each installation.

The locks of the master doors shall be attached by a Post Office representative, not by the firm or person erecting the boxes and the keys of these locks are to remain in Post Office custody at all times.

Mail boxes for installation under these regulations must first be approved by the Postmaster General and manufacturers desiring to obtain such approval must submit a sample of the box which it is proposed to make to the Post Office Department at Ottawa and await the necessary approval before proceeding further. A sample of the finished article is to be sent to the Department to be kept as an exhibit.

The Postmaster General's approval shall not be interpreted as approval of manufacturing rights or as relieving the applicant from any responsibility in connection therewith.

These regulations do not apply to buildings in which mail boxes satisfactory to the Post Office Department are already installed, buildings in which mail for the tenants is delivered to offices located on the ground or main entrance floor, nor to those having elevator service and in which the individual apartments are equipped with suitable mail receptacles.

Approved:

ERNEST BERTRAND,
Postmaster General.

RÈGLEMENTS DU PASSAGE D'EAU

PEMBROKE, ONT.—ÎLE AUX ALLUMETTES, P.Q.

Article premier

Les limites du passage d'eau doivent s'étendre du rapide des Allumettes, en aval de la ville de Pembroke, dans le comté de Renfrew, jusqu'à cinq milles en amont de ladite ville, à un point qu'on appelle le détroit (the narrows), sur la rivière Ottawa.

Article deuxième

Les terminus du passage d'eau doivent être le quai public à Pembroke, Ont., sur la rive sud, et le quai public qui se trouve vis-à-vis, sur la rive nord, sur l'île aux Allumettes.

Il doit être entendu, toutefois, que si l'adjudicataire subissait des pertes, dépenses, frais ou dommages, à cause de l'état de ces quais, il ne réclamera aucun dédommagement de Sa Majesté, représentée par le Ministre des Travaux publics.

Article troisième

L'adjudicataire doit fournir et mettre en service sur ledit passage d'eau un vaisseau solide, navigable, mû par l'huile, la vapeur ou l'essence et capable d'atteindre une vitesse d'au moins dix milles à l'heure.

Le vaisseau doit avoir un commandant responsable et capable, ayant toutes les qualités qui peuvent être requises en vertu de la *Loi concernant la Marine Marchande du Canada.*

Le vaisseau doit être construit de manière à pouvoir donner, sur ledit passage d'eau, un service convenable et satisfaisant pour le transport des passagers, des voitures, des animaux et des marchandises. Il doit être doté de ceintures de sauvetage, parfaitement outillé pour donner le service voulu et être tenu en parfait état de propreté, ou conformément aux dispositions de la *Loi de la Marine Marchande du Canada.*

Avant l'émission du permis, l'adjudicataire doit, à ses propres frais, obtenir d'un inspecteur qualifié de vaisseaux à vapeur, un certificat attestant la navigabilité du vaisseau qui doit être mis en service en vertu dudit permis, et il doit déposer ce certificat au bureau de ministre des Travaux publics.

Il sera loisible au ministre des Travaux publics de rejeter tout vaisseau qui pourrait être mis en service sur ledit passage d'eau en quelque temps que ce soit, ou de rejeter son commandant s'il les considéraient tous, ou l'un d'eux respectivement, impropres au service ou incapables de satisfaire aux besoins du public.

Article quatrième

L'adjudicataire doit faire éteindre tous les feux dans les automobiles et faire arrêter les moteurs des automobiles immédiatement après que chaque automobile aura pris place à bord du bateau-passeur, et il doit voir à ce qu'ils soient maintenus dans cet état jusqu'à ce que le bateau soit amarré au quai ou débarcadère auquel il accoste.

Article cinquième

Pendant toute la durée du permis, depuis la débâcle du printemps jusqu'à ce que la rivière gèle à l'automne, et ce chaque année, le bateau-passeur doit faire au moins onze (11) traversées aller et retour chaque jour, sauf le dimanche alors qu'il doit faire huit (8) traversées aller et retour. De plus, à compter du 1er octobre, le dernier départ de Desjardins à 8.00 P.M., et celui de Pembroke à 8.30 P.M., seront discontinués sur semaine. SÉNAT

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse des signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada,* comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. *Une compagnie de chemin de fer ou de canal*—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée:

2. *Une compagnie de télégraphe ou de téléphone*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'exercer des opérations;

3. Une compagnie ayant pour objet *l'exécution d'entreprises* dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des *droits ou privilèges exclusifs,* ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. *Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt,* ou *compagnie industrielle,* sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis; et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particulièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement, d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et, lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention; "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six première semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examinateur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédictent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas; crochets, italique, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte, doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimée en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation, doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ses ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal, cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province au territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque le pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examinateur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement, de voie ferrée ou de canal, ne sera prise en considération par l'examinateur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et ayant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

(*a*) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache.	$ 100
(*b*) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session..	100
(*c*) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session.	200
(*d*) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas $250,000.. ..	100
(*e*) Lorsque le capital-actions projeté d'une compagnie dépasse $250,000, mais n'est pas supérieur à $500,000..	200
(*f*) Lorsque le capital-actions projeté d'une compagnie dépasse $500,000, mais n'est pas supérieur à $750,000..	300
(*g*) Lorsque le capital-actions projeté d'une compagnie dépasse $750,000, mais n'est pas supérieur à $1,000,000..	400
(*h*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,000,000, mais n'est pas supérieur à $1,500,000..	600
(*i*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,500,000, mais n'est pas supérieur à $2,000,000..	800
(*j*) Pour chaque million de dollars de capital-actions additionnel ou fraction de million..	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante, le droit additionnel à débourser est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) (*a*) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

(*b*) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit aditionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas (*b*) ou (*c*) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examinateur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE DU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

ARTHUR BEAUCHESNE,
Greffier de la Chambre des communes.

DEMANDES DE DIVORCE

AVIS est par les présentes donné que Dame Audrey Frances Stokes, ménagère, des cité et district de Montréal, province de Québec, s'adressera au Parlement du Canada, à sa prochaine session ou à sa session suivante, afin d'obtenir un bill de divorce d'avec son époux, Victor Todd Joseph Lambert, mécanicien, des cité et district de Montréal, dans la province de Québec, pour cause d'adultère.

6. Le Ministère des Affaires extérieures ne peut entretenir de correspondance relative à ces réclamations. Toute correspondance doit être adressée au ministère autrichien.

RÉCLAMATIONS DES VICTIMES DE L'OPPRESSION NAZIE

1. L'Office britannique de Contrôle de l'Allemagne et de l'Autriche annonce qu'il est maintenant possible de transmettre en Allemagne par voie officielle les réclamations des personnes que les nazis, par persécution ou traitement injuste, avaient dépossédées de biens situés en Allemagne. Les dispositions qui ont été prises à cet effet s'appliquent aux réclamations concernant les biens situés dans toutes les zones de l'Allemagne. Les autorités canadiennes transmettront volontiers aux autorités intéressées les réclamations concernant des biens situés dans quelque zone que ce soit.

2. On demande que les réclamations soient présentées sous forme de réclamation sous serment en six exemplaires, dont quatre en anglais ou en français et deux en allemand, exposant tous les faits requis d'une manière aussi concise que possible. Indiquer notamment les détails suivants:

a) "Krefs" (arrondissement) dans lequel on croit que les biens sont situés. (Inscrire visiblement cette indication au haut de la page.)
b) Nom et adresse de la personne que l'on croit être en possession de ces biens; description desdits biens pour en faciliter la localisation; valeur approximative; circonstances, motifs, et autorités responsables de la saisie ou confiscation; toute compensation financière accordée.

3. Envoyer ses réclamations à l'adresse suivante:

Le Sous-Secrétaire d'Etat aux Affaires extérieures, Ottawa, Ontario.

Les personnes qui ont déjà présenté leurs réclamations par affidavit au Ministère des Affaires extérieures n'ont pas à faire de nouvelle démarche.

4. Il doit être bien compris que les autorités du Canada et du Royaume-Uni, en assurant la transmission des réclamations visent seulement à fournir aux réclamants, en l'absence de relations postales normales avec l'Allemagne, la possibilité de soumettre les détails de leurs réclamations pour être enregistrés auprès des autorités intéressées, en Allemagne, en attendant l'établissement des services qui s'en occuperont.

5. Il ne peut pas être échangé de correspondance au sujet de ces réclamations. Le Ministère des Affaires extérieures ne peut pas non plus entreprendre de faire rapport sur l'état des biens en question. Les autorités du Canada et du Royaume-Uni, par le fait de la transmission des réclamations, n'assument aucune responsabilité à leur sujet.

MINISTÈRE DES POSTES

RÈGLEMENTS CONCERNANT LES BOÎTES AUX LETTRES DES MAISONS APPARTEMENTS

AVIS public est par les présentes donné qu'à compter du 1er janvier 1947, en conformité des dispositions de l'alinéa (*x*) du paragraphe 1 de l'article 7 de la Loi des Postes, les règlements concernant les boîtes aux lettres des maisons à appartements, parus dans la *Gazette du Canada* du 17 décembre 1927, n° 25, Vol. LXI, sont modifiés de la façon suivante:

Les maisons à appartements, les immeubles à logements de plain-pied et les hôtels de familles de trois appartements ou plus (sauf ainsi qu'il est ci-après prévu) doivent avoir dans un endroit convenable, aisément accessible au facteur, des boîtes aux lettres installées par groupes comprenant une boîte aux lettres pour chaque locataire, y compris le concierge.

Chaque groupe doit se composer d'un nombre de boîtes individuelles, chacune pourvue d'une porte à l'usage du client et d'une porte d'ensemble à l'usage du facteur.

Le nombre des groupes dépendra du nombre d'appartements à desservir, mais aucun groupe ne doit comprendre plus de sept boîtes.

Ces récipients aux correspondances doivent être construits de métal inoxydable—en tôle plombée de préférence—suffisamment épais et durable.

Les dimensions intérieures des boîtes individuelles ne doivent pas avoir moins de 14¾" de hauteur, 3 5/16" de largeur et 4½" de profondeur.

La porte de chaque boîte individuelle doit être munie d'une serrure à trois gorges, ou l'équivalent; une même clef ne doit ouvrir qu'une seule boîte dans le même immeuble.

Chaque groupe de boîtes doit être muni d'une porte d'ensemble, avec charnières au bas et tourillon horizontal et une ouverture minimum de 90 degrés, pouvant s'adapter à la serrure régulière des Postes pour les maisons à appartements. Le tout doit être ajusté de façon que le pêne de la serrure entre au moins 3/16" dans la gâche, lorsque la serrure est fermée à clef.

Le long du cadre supérieur de chaque groupe de boîtes, un porte-étiquette convenable doit être installé sur chaque boîte individuelle pour y placer une carte donnant le nom du locataire et de façon que ce dernier puisse l'atteindre en tout temps pour changer ou enlever la carte.

La porte de chaque boîte individuelle doit être munie d'un dispositif pour l'insertion d'une carte donnant le nom du locataire et le numéro de l'appartement.

Les ouvertures dans les portes des boîtes individuelles doivent être pratiquées de façon que le locataire puisse voir s'il y a du courrier dans la boîte, mais tout en empêchant en même temps les autres personnes de pouvoir lire une partie du contenu.

Une ouverture peut être pratiquée sur le devant de chaque boîte individuelle, permettant d'introduire les cartes de visites, avis de télégrammes et autres objets semblables. Cette ouverture ne doit pas avoir plus de 3 pouces de longueur sur ⅛ de pouce de largeur.

Les ouvertures nécessaires à la fixation des appareils électriques, téléphones, etc., ne doivent pas donner accès à l'intérieur d'aucun des compartiments aux correspondances.

Les boîtes aux lettres doivent être construites et installées de façon à protéger le contenu de la boîte contre le dommage par des rebords rugueux ou coupants, des saillies et l'eau de condensation.

Les boîtes aux lettres par groupes doivent être fabriquées au Canada.

Les boîtes doivent être installées de façon que le trou de la serrure principale soit de 59" au-dessus du plancher pour une installation en une seule rangée, et de 66", pour le rang supérieur d'une installation à double rangée.

Une formule-carte postale doit être incluse dans chaque unité manufacturée. Cette carte est pour l'usage de ceux qui ont la responsabilité d'aviser le maître de poste de la grandeur, du genre et de la date de chaque installation.

Les serrures des postes d'ensemble doivent être placées par un représentant des Postes, et non par la maison ou la personne qui installe les boîtes; les clefs de ces serrures doivent en tout temps demeurer sous la garde du bureau de poste.

Les boîtes aux lettres destinées à être installées en vertu des présents règlements doivent d'abord recevoir l'approbation du ministre des Postes; les manufacturiers qui désirent obtenir cette approbation doivent soumettre au ministère des Postes à Ottawa un spécimen de la boîte dont la fabrication est projetée et attendre l'approbation nécessaire avant de continuer leurs travaux. Un spécimen de l'article fini doit être envoyé au ministère pour être gardé comme pièce à l'appui.

L'approbation du ministre des Postes ne doit pas être interprétée comme étant une confirmation des droits de fabrication et ne dégage pas le requérant de sa responsabilité à cet égard.

Les présents règlements ne s'appliquent pas aux immeubles où des boîtes aux lettres, satisfaisantes aux yeux du ministère des Postes, sont déjà installées, ni aux immeubles dans lesquels les correspondances pour les locataires sont distribuées à des bureaux situés au rez-de-chaussée ou à l'étage de l'entrée principale, non plus qu'à ceux qui possèdent un service d'ascenseur et dans lesquels les appartements individuels sont munis de récipients convenables aux correspondances.

Approuvé:

ERNEST BERTRAND,
Ministre des Postes.

Le 21 décembre 1946. 1-1

3.56—ORDER OF RANKING AND EXERCISE OF COMMAND IN SPECIAL CASES

(To be used by reference to Article 3.52 (Table). In that Table classes within the ratings dealt with in this article are marked with capital letters.)

(1) Men with chief petty officer rating in the following branches shall rank and exercise command within and between those branches as determined by (2), (3) and (4) of this article:

Engine Room Artificer	Shipwright
Electrical Artificer	Blacksmith
Ordnance Artificer	Plumber
Radio Artificer	Painter

(NOTE.—Since there is no order of seniority of branches in the Naval Service, the order in which these branches are listed has no significance.)

(2) Where men belong to classes of chief petty officer rating that are prefixed by different capital letters in *Article 3.52 (Table)* they shall rank and exercise command in the alphabetical order of those letters, both within their own branch and also between all the other branches listed in clause (1) of this article. For example, a Chief Shipwright (prefixed "A" in the Table), ranks and exercises command before a Shipwright 1/c (prefixed "B"), and also, where the occasion arises, before an Engine Room Artificer 1/c (prefixed "B").

(3) Where men within one of the branches listed in clause (1) of this article belong to the same class of chief petty officer rating in *Article 3.52 (Table)*, they shall rank and exercise command among themselves:

(a) if they were advanced to that class on different days, in the order of their dates of advancement to that class; or

(b) if they were advanced to that class on the same day, in the order of

(i) their dates of advancement to their immediately previous class, or

(ii) if they were advanced to that previous class on the same day, their seniority as chief petty officers as determined under Article 3.58.

(4) Where men of two or more of the branches listed in clause (1) of this article belong to the same class of chief petty officer rating in *Article 3.52 (Table)* they shall rank and exercise command among one another in order of their seniority as chief petty officers as determined under article 3.58.

in possession of the qualifications prescribed in *Article 7.71 (Table)*; and

(c) the transfer is clearly in the interest of the Naval Service and of the applicant.

(3) Instructions contained in the Recruiting Manual require a candidate on entry in the Naval Forces to sign an acknowledgment that he has not been induced to enter by the prospect of being transferred to another branch at his own request. The Captain shall not forward an application for transfer that is made on the grounds of such an alleged inducement.

(4) The Captain shall forward all applications for transfer for approval by letter accompanied by the

(i) service certificate,

(iv) when the reason for requesting transfer is based on experience gained prior to entry in the Naval Forces, documentary proof of former training, experience and ability.

(5) The Captain shall inform an applicant for transfer to another branch that the fact of forwarding his application for consideration does not indicate that it will necessarily be accepted.

(6) When the Naval Forces are on active service, the qualifications for transfer to another branch shall be as prescribed in Naval General Orders.

(7) *(a)* A man holding an ordinary rating who has completed new entry training shall not be transferred to a branch in which

(i) successful completion of a course is required as a qualification for advancement to the able rating, or
(ii) a trial period to determine his suitability for transfer is required,

but shall undergo the course or trial period in his original rating.

(b) On completion of the course or trial period, he shall

(i) if successful, be transferred to the new branch, or
(ii) if not successful, return to the duties of his original branch.

(c) If he completes the fifteen months' service requirement for advancement to the able rating in his original branch while undergoing the course or trial period, he may be advanced to acting able rating in that branch. On completion of the course or trial period, he shall.

(i) If successful, be transferred to the new branch in the confirmed able rating of that branch, or
(ii) if not successful, return to the duties of his original branch in the acting able rating, being confirmed when he becomes fully qualified in all respects for that rating, with seniority from the date of his advancement to the acting able rating.

The following Regulations, Orders, etc., are promulgated and issued to the Canadian Army by Order of the Minister of National Defence.

HEADQUARTERS, OTTAWA,

G.O. 277
KING'S REGULATIONS AND ORDERS FOR THE CANADIAN ARMY, 1939—AMENDMENTS (No. 91)

King's Regulations and Orders for the Canadian Army, 1939, are amended as follows:

Immediately following paragraph 800 *insert* a new paragraph to be numbered 800A as under:

"800A. (*a*) The following procedure will be carried out with respect to muster parades in units of the *Canadian Army Active Force*:

(i) The Officer Commanding a Canadian Army Active Force unit shall be held responsible that every officer and soldier under his command is accounted for daily, and that a monthly nominal roll shall be submitted to District Headquarters, on a date, as required by the District Paymaster. In the case of an officer or soldier not properly accounted for the Officer Commanding shall be held responsible that no further payments are made on his account until the case has been properly dealt with, and proof furnished that such officer or soldier is entitled to be continued on the strength of the Force and be issued with pay.

(*b*) The following procedure will be carried out with respect to muster parades in units of the *Canadian Army Reserve Force*:

(i) A parade for the purpose of mustering the troops shall be formed not later than the morning of the second day in a camp of instruction, at such hour as the camp commandant may order. Every officer, warrant officer, non-commissioned officer, and man in camp is to be present with the staff or his unit, with the exception of personnel on guard, cooks, or those accounted for by the camp medical officer, and they are to remain on parade until the camp paymaster has called the whole of the respective rolls, checked those present, erased names of absentees and noted on the copy of the nominal roll the numbers of each rank present in camp. These rolls and figures are to be the guide for pay, transport, rations, etc., during camp, due regard being had to any casualties occurring subsequent to completion of the roll;

(ii) Unless otherwise directed by the district officer commanding or the camp commandant, each unit shall again be paraded for muster before the conclusion of the camp. The camp paymaster will be supplied by the unit with a complete nominal roll of all ranks, in duplicate. He will check all names in the same manner as at the muster on the opening of camp, and will be responsible that pay is not drawn on behalf of anyone not entitled to receive it;

(iii) The camp paymaster shall compare the paylists with the copies of the nominal roll used at the muster, and he will certify to this effect on the paylists.

Any difference between the numbers actually present at camp and those shown on the copy of nominal roll sent in shall be immediately reported by the camp paymaster to the camp commandant, who will thereupon cause an investigation to be made if necessary;

(iv) At the end of the annual training period a muster parade will be held at all Reserve Force units at such time as the district officer commanding may determine. At this parade the district paymaster, or his representative, will check all names on the nominal roll of the unit to ensure that each individual is properly accounted for".

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL

WHEREAS the Aeronautics Act, as amended by Chapter 28 of the Statutes of 1944 and Chapter 9 of the Statutes of 1945, provides under Section 12 thereof for the licensing of commercial air services by the Air Transport Board;

And whereas the said Act, as amended in 1945, provides under Section 12 (4) that no air carrier shall operate any commercial air service unless and until an operating certificate has been issued by the Minister to such air carrier certifying that the holder is adequately equipped and able to conduct a safe operation as an air carrier over the prescribed route or in the prescribed area;

And whereas the Minister of Reconstruction and Supply represents that, consequent upon the last amendment of 1945, it is deemed expedient to amend The Air Regulations, 1938, as amended by Order in Council, P.C. 8986 of November 28, 1944, by revoking Part VII thereof and substituting therefor a new Part VII as hereinafter set out;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Reconstruction and Supply, is pleased to amend The Air Regulations, 1938, as amended by Order in Council P.C. 8986 of 28th November, 1944, and they are hereby further amended by revoking Part VII thereof and substituting therefor the following regulations as a new Part VII:

—

P.C. 5016

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDY, the 5th day of December, 1946.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL

HIS Excellency the Governor General in Council, on the recommendation of the Minister of Mines and Resources and pursuant to the provisions of the Dominion Lands Act, Chapter 113, Revised Statutes of Canada, 1927, is pleased to amend the Regulations for the disposal of Quartz Mining Claims on Dominion lands in the Northwest Territories made by Order in Council P.C. 507 of March 4, 1932, as amended, and they are hereby further amended as follows:—

1. Section 2 to the said Regulations is amended by adding thereto, the following:—

"The expression 'marginal', as applied to a Mineral Claim, means a Mineral Claim situated on the margin of a body of water and only partly covered by such water, and staked in accordance with Sections 24 to 31, both inclusive, of these Regulations and having at least one corner situated on land.

The expression 'submerged', as applied to a Mineral Claim, means a Mineral Claim located in accordance with the provisions of Section 31A of these Regulations and completely covered by water."

2. Sections seven, eight and forty-nine of said Regulations are revoked.

3. The following is added as Section seven to the said Regulations:—

"7. (1) Upon any forfeiture or loss of rights in a mineral claim, the Mining Recorder shall forthwith enter a note thereof with the date of entry upon the record of the claim, and shall mark the claim 'Lapsed'.

(2) Relief from forfeiture or loss of rights, as provided in Section 65 of these Regulations shall also be noted on the record of the Mineral Claim by the Mining Recorder."

4. Subsection six of Section fourteen of the said Regulations is revoked and the following substituted therefor:—

"6. The Minister, upon proof to his satisfaction of the wilful contravention by any person holding a Miner's Licence of any of the provisions of these Regulations, may revoke the Miner's Licence of that person and may direct that no other Miner's Licence be issued to that person during such time as the Minister may, in his discretion, prescribe."

5. Section twenty-four of said Regulations and the head-note of such section are revoked and the following substituted therefor:—

"How a Mineral Claim other than a Submerged Mineral Claim shall be Staked

"24. Every mineral claim, other than a submerged mineral claim, shall be marked on the ground by four (4) legal posts firmly planted in the ground, one at each of the four corners of the claim, beginning with and marking that at the northeast corner 'No. 1'; that at the southeast corner 'No. 2'; that at the southwest corner 'No. 3'; and that at the northwest corner 'No. 4', so that the number shall be on the side of the post toward the post next following it in the order named. In treeless territory remote from any adequate timber supply, this may be modified in accordance with the method prescribed in section two in the definition of a legal post."

6. Section twenty-nine of said Regulations is revoked and the following substituted therefor:—

"29. In case it is found impossible, owing to the presence of water or other insurmountable obstacle, to set a corner post in its proper position, the locator shall set up a 'witness post' on a boundary line, if practicable, as near as possible to where the post should have been placed, and upon this witness post he shall, in addition to the information already prescribed in these Regulations to be placed on the corner post, place the letters 'W.P.', and further he shall place on the 'witness post' the distance in feet from the 'witness post' along the boundary line to the true corner of the mineral claim, and if the 'witness post' is not placed on a boundary of the mineral claim he shall, in addition, place on the 'witness post' the direction from the 'witness post' to the true corner of the mineral claim."

7. The second sentence of Section thirty-one of said Regulations, which sentence reads:—

"The locator shall submit, with his application, a plan in duplicate showing as nearly as possible the position of the location applied for in its relation to the permanent topographical features of the district and to the adjoining claims or some other known point; also the position of the stakes by which the location is marked on the ground."

is revoked and the following substituted therefor:—

"The locator shall submit, with his application, which shall be in duplicate, a plan in duplicate showing as nearly as possible the position of the location applied for in its relation to the permanent topographical features of the district and to the adjoining claims or some other known point; also the position of the stakes by which the location is marked on the ground."

8. The said Regulations are further amended by inserting immediately after Section thirty-one the following as Section thirty-one-A:—

"How to Locate a Submerged Mineral Claim

"31A. (1) Subject to the limitation set out in subsection two of this section, where a licensee has located or acquired a marginal mineral claim and has reason to believe that the ore body upon which he has located extends under the water, he may locate by means of a post for each claim, placed as prescribed in subsection four of this section, not more than two submerged mineral claims by producing opposite sides of the mineral claim the required distances to include not more than 51.65 acres in each submerged mineral claim. A submerged mineral claim shall not, in any circumstances, exceed 51.65 acres.

(2) The number of submerged mineral claims which may be staked from any one marginal mineral claim shall not, in any circumstances, exceed two submerged mineral claims.

(3) Under the same conditions and subject to the same limitation, not more than two submerged mineral claims may be staked for another licensee, but such mineral claims must be staked in the same manner from a marginal mineral claim staked for or held by that licensee.

(4) The post referred to in subsection one of this section shall be made and planted firmly in the ground in the same manner as a legal post and shall be placed as close as possible to the post witnessing or marking the nearest corner of the marginal mineral claim. This post shall bear the following markings on the side facing in the direction of the submerged mineral claim:—

(*a*) The name given to the submerged mineral claim;

(*b*) The name of the licensee locating the submerged mineral claim and the number of his licence;

(*c*) The date and hour of locating;

(*d*) If the mineral claim is located on behalf of another licensee, also the name of such other licensee and the number of his licence;

(*e*) The letters 'S.C.', denoting submerged claim; and

(*f*) The direction of the submerged claim.

(5) A submerged mineral claim shall not be staked from any marginal mineral claim located

on an island whose greatest length or breadth is less than one-hundred feet.

(6) Every submerged mineral claim shall be so indicated by the Mining Recorder on the form 'B'—Record of a Mineral Claim—and upon the record of that Mineral Claim."

9. The third sentence of Section thirty-seven of said Regulations, which sentence reads:—

"The application shall be in the prescribed form and shall be accompanied by a plan, in duplicate, showing the position of the claim as prescribed by Section thirty-one of these Regulations."

is revoked and the following substituted therefor:—

"The application shall be in duplicate and in the prescribed form and shall be accompanied by a plan, in duplicate, showing the position of the claim as prescribed by Section thirty-one of these Regulations."

10. Section thirty-eight of said Regulations is revoked and the following substituted therefor:—

"38. In the event of the claim being more than one hundred miles, by travelled route, from the Recorder's Office, and situated where other claims are being located, the licensees, not less than five (5) in number, are authorized to meet and appoint one of their number an 'emergency recorder.'"

11. Section thirty-nine of said Regulations is amended by deleting the words, letters and figure

"Form 'A' or 'A-1'" where they occur in said section and substituting therefor the following:— "Form 'A', 'A-1' or 'A-2'".

12. Section forty of said Regulations is revoked and the following substituted therefor:—

"40. No mineral claim shall be recorded unless the application is accompanied by an affidavit or solemn declaration made by the applicant on form 'A' of these Regulations, or if it be a fractional mineral claim, in the form 'A-1', or if it be a submerged mineral claim, in the form 'A-2'."

13. Section forty-three of said Regulations is revoked and the following substituted therefor:—

"43. (1) Except in cases to which the provisions of Subsection (2) of this Section apply, the record of a mineral claim shall be made at the office of the Mining Recorder for the district in which the claim is situated, but the application may be made to an agent of Dominion lands, a sub-agent, a Mining Recorder or sub-recorder, to be forwarded to the Mining Recorder for the district in which the claim is situated. The date upon which the application and the fee may be received in the office of the Mining Recorder for the district in which the claim is situated, however, shall govern, and shall be considered the date of the application.

(2) Where a prospector stakes a number of adjacent mineral claims, any one of which lies across the boundary or boundaries of adjoining mining districts, or which the prospector or Mining Recorder may believe to lie on or near such boundary or boundaries, the prospector may record the claims in the office of any one of the mining districts, the boundary of which lies across or near his claims. In such cases the prospector shall prepare such additional copies of his affidavits and sketches as are required for filing in other mining districts which may be affected and deliver them to the Mining Recorder who shall forward certified copies of the documents filed with him to the Mining Recorders of such other mining districts. The Mining Recorder with whom such mineral claims are first recorded may on his own initiative file copies of documents respecting any mineral claim which he believes lies near or across the boundary of another mining district with the Mining Recorder of that district.

(3) Mining Recorders shall keep a special record of—

1. such mineral claims originally recorded in his office;

2. mineral claims which were originally recorded in the office of another Mining Recorder and later recorded in his office.

(4) Any persons desiring to file a document affecting any claim recorded under the provisions of Subsection (2) of this Section shall file such document in the office of the Mining Recorder who issued the Form 'B' and supply such Mining Recorder with certified copies of such document for filing in the office of the Mining Recorders of the other mining districts affected.

(5) A Mining Recorder shall make no charge for filing certified copies sent to him by another Mining Recorder."

14. Section fifty of said Regulations is revoked and the following substituted therefor:—

"50. When any Mineral Claim is lapsed, forfeited or cancelled, the recorded holder of that Mineral Claim may, with the consent of the Mining Recorder and under such conditions and within such time as the Mining Recorder may prescribe, remove any machinery and personal property which he may have placed on the Mineral Claim."

15. Section fifty-two of the said Regulations is amended by adding at the end of subsection (2) thereof the following:—

"Excess work shall be recorded during the year in which it was performed or within one (1) month after the expiry of such year."

16. Section fifty-three of the said Regulations as amended is revoked and the following substituted therefor:—

"53. (1) The Minister, or the officer designated by him to administer these Regulations, may grant extensions of time for periods up to one year for the performance of the representation work prescribed by subsection (1) of Section fifty-two; provided,

(*a*) that written reasons in justification of the extension of time satisfactory to the Mining Recorder, are submitted to and received by such Mining Recorder prior to the expiry of the period of time in which the work should have been done by the recorded owner of the claim; and

(*b*) that a fee of five dollars ($5.00) is tendered for each claim affected along with such written reasons.

(2) If, however, the proper amount of work, as required by Section fifty-two, is not done during the time prescribed by these Regulations and any extensions of time granted under this section, the claim shall lapse on the expiry of that period of time during which the work should have been performed without any declaration of cancellation or forfeiture on the part of the Crown and be open for relocation under these Regulations only after one month from the expiry of such period."

17. Subsection (1) of Section fifty-five of said Regulations is revoked and the following substituted therefor:—

"55. If two or more persons own a claim, each such person shall contribute proportionately to his interest in such claim to the work required to

be done by Section fifty-two of these Regulations and to the payment of all expenses and charges, including fees for licence and renewals thereof, provided for in the Regulations, and in the event of its being proved to the satisfaction of the Mining Recorder, after notice of hearing has been served as directed on all the parties interested, that any co-owner has not done so, his interest shall become vested, by order of the Mining Recorder, in the other co-owner or co-owners according to the sum of the value of the work done and money paid by each respectively."

18. Subsections two and three of Section fifty-five are revoked and the following substituted therefor:—

"55A. (1) The Mining Recorder, any Mining Inspector or any officer appointed by the Minister, may inspect a Mineral Claim at any time.

(2) A report of each inspection, except when made only for the purpose of a dispute, appeal or other proceeding, shall be made in writing by the Inspecting Officer and shall be filed in the office of the Mining Recorder who shall forthwith enter upon the record of the Mineral Claim a note stating the effect of the report and the date of entry.

(3) Subject to the provisions of Section fifty-seven of these Regulations, if the Mining Recorder, upon the report or upon the investigation, deems that the Mineral Claim, or any entry upon the record of a Mineral Claim, should be cancelled, he shall mark the Mineral Claim or entry thereon, 'cancelled', and affix his signature or initials and shall, by registered letter forthwith, notify the recorded holder of the Mineral Claim and other interested parties, if any, of the receipt and effect of the report or of his investigation and that the Mineral Claim, or entry upon the record of the Mineral Claim, as the case may be, is cancelled.

(4) Should it be proved to the satisfaction of the Mining Recorder that any person has,—

(*a*) been guilty of misrepresentation in the statement sworn to by him in the Form 'C' of these Regulations, or in any of the statements required under these Regulations to be made by him under oath, or

(*b*) removed, or destroyed with intent to remove, or deface any legal post or stake or other mark placed under the provisions of these Regulations,

the Mining Recorder may in his discretion, order that such person be debarred from the right to obtain entry for, or a certificate of work in connection with, any Mineral Claim for any length of time the Mining Recorder deems advisable. A copy of any order made under this subsection shall be mailed forthwith by the Mining Recorder, by registered letter, to that person.

(5) An appeal from any action taken, or order made by the Mining Recorder, under the provisions of this Section, shall lie to a Stipendiary Magistrate and shall be made within the time and in the manner provided by Section sixty-six of these Regulations.

(6) The Mining Recorder shall, on the expiration of one (1) month from the date of his order cancelling a claim, if no appeal is taken, or, on the expiration of one (1) month from the date of the judgment of the Stipendiary Magistrate, in cases where the cancellation of the Mineral Claim is upheld, post up in his office a notice of the cancellation and the land or mining rights comprised within such Mineral Claim shall, upon the day following the posting of such notice but not before, be open for prospecting and staking out."

19. Section fifty-nine of said Regulations is revoked and the following substituted therefor:—

"59. (1) No person shall suffer from any omission, delay or improper act on the part of any government official;

(2) The Minister may make such order as he may deem necessary to remedy any injury caused by any such omission, delay or improper act."

20. Item (4) of section sixty of said Regulations is revoked and the following substituted therefor:—

"(4) Shall have posted in the nearest Post Office:—

(i) a copy of the plan of the claim upon which the Surveyor General has endorsed a notice in the Form G-1 of the Schedule of these Regulations; and

(ii) a legible notice in writing in Form G of the Schedule of these Regulations of his intention to apply for a certificate of improvements and shall also have posted a similar notice and plan in the Mining Recorder's office, and such notice shall contain:

(*a*) the name or number of the claim,

(*b*) the name of the lawful holder thereof,

(*c*) his intention to apply for a certificate of improvements at the end of sixty days for the purpose of obtaining a lease,

(*d*) the date of the notice."

21. Item (6) of Section sixty is revoked and the following substituted therefor:—

"(6) Shall have filed with the Mining Recorder a copy of a plan of the claim, with a notice in the said Form G-1 endorsed thereon by the Surveyor General, immediately after posting the notice of his intention to apply for a certificate of improvements;"

22. Subsection (1) of Section sixty-six of said Regulations is revoked and the following substituted therefor:—

"66. (1) The Mining Recorder shall have power to hear and determine all disputes arising within his district in regard to mining property, previous to the issue of a lease of the claim, subject to appeal by either of the parties, in the manner hereinafter provided in this Regulation."

23. Subsection (7) of Section sixty-six and the unnumbered paragraph of said Section following the said subsection are revoked and the following substituted therefor:—

"(7) If an adverse claim shall affect only a portion of the ground for which application is made for a certificate of improvements the applicant may relinquish the portion covered by the adverse claim and still be entitled to a certificate of improvements for the undisputed remainder of his claim, upon complying with the requirements of these Regulations. The Mining Recorder shall enter in the 'record book' any judgment which may be rendered in such case, and if by any judgment the original boundaries of any claim shall be changed, a plan made by a Dominion Land Surveyor and signed by the Mining Recorder if the judgment was rendered by him, or by the judge or magistrate by whom the judgment may have been given, shall be filed with the Mining Recorder, who shall forward it to the Department.

(8) (i) An appeal shall lie from the decision of the Mining Recorder to a Stipendiary Magistrate, whose decision shall be final and binding on the parties.

That "Canuck Explorers Limited" the recorded owners of mineral claims "Vega" 1 to 6 and "Joe" 4 to 6, both inclusive, situated in the Yellowknife mining district in the Northwest Territories, neglected to file an application for an extension of time for the performance of representation work upon the said mineral claims before October 4, 1946, as required by the Regulations for the disposal of Quartz Mineral Claims on Dominion Lands in the Northwest Territories;

That the Secretary of the company has filed an affidavit to the effect that a letter was written from his office, enclosing a cheque for $45, to the Mining Recorder at Yellowknife on September 17, 1946, and that not receiving a reply to his letter he communicated with the Mining Recorder and was advised by him on October 29, 1946, that the letter with the cheque had not been received, by which time the claims had already lapsed.

The Committee, therefore, on the recommendation of the Minister of Mines and Resources, advise that, pursuant to the Dominion Lands Act, Chapter 113 R.S.C. 1927, authority be granted to reinstate the nine mineral claims above mentioned at the risk of the holder in whose name these claims were recorded subject to the rights of any persons who may have acquired any interest under the provisions of the said Regulations covering the whole or any portion of the ground and further authority be granted to the Minister of Mines and Resources to accept the requisite fee and grant an extension of time not beyond the 30th June, 1947, within which to perform upon the said mineral claims the representation work prescribed by Section 52 of the said Regulations.

INSTRUCTIONS AND CONDITIONS

1. This form when completed by the owner of the goods or his agent and stamped and signed by the Collector of Customs is a Customs export entry and, subject to the Foreign Exchange Control Act and Regulations, is a permit from the Foreign Exchange Control Board for the export of such goods from Canada. (For exports of securities, the Board's Form K is to be used.)

2. This form, completed in the number of copies required, shall be delivered to the carrier accepting the shipment for export, one set per carload or lesser shipment to a single consignee except as provided for in paragraph 5 (d). The carrier will hand the completed set to the Collector at the last port in Canada through which goods for exportation pass outwards for places beyond the limits of Canada when **exported by land**, and at the port where laden on the exporting ship or aircraft when **exported by water or air**, each such port being herein designated as "the port of exit from Canada". It is **most important** to have this form furnished and firmly attached to the way-bill from inland places in order to avoid the necessity for detention and side-tracking of the goods at the frontier awaiting delivery of this form to the Canadian Customs-Excise Officer.

3. When goods for exportation arrive at the frontier unaccompanied by this form the Collector is to report the facts to the Deputy Minister of National Revenue, Customs and Excise, and state particularly the place of lading, in order that the neglect to forward this form may be traced to the proper railway agent, and that the manager of the railway may be notified through the Department of National Revenue of such irregularity and neglect.

4. This form must be signed by the owner of the goods or his agent (who may also be the railway agent) and is not required to be attested.

5. (a) If the goods are to be exported to Newfoundland **at least three copies** of the form must be submitted to the Collector.

(b) If the owner of goods to be exported to a country other than Newfoundland is the holder of a Foreign Exchange Control Board permit BD, or NS, he must insert the prefix letters and number of such permit in space **1** at the top of the form. In this case at least four copies of the form must be submitted to the Collector.

(c) If the owner of goods to be exported to a country other than Newfoundland is not a BD or NS permit holder he must insert the name and address of his Authorized Dealer (Canadian bank and branch) in space **2** at the top of the form. In this case, he must complete at least five copies of the form.

(d) When goods are exported by rail, water or air and the Collector at the port of exit from Canada is satisfied that it is impossible for this form to be completed in all particulars and handed to the carrier at the point of lading along with transportation documents covering export from Canada, this form may be submitted in duplicate as a temporary export entry, one set per carload or lesser shipment. Where the form is used in this way, Item **3** at the top of the form, Sections **A** to **J** inclusive, and **S** (b), are to be completed. The quantity in Column **J**, where more than one carload is concerned, may be entered as the total of the shipment divided by the number of cars. An estimated value at point of lading should be entered in Column **K** or **L**. The Collector of Customs at the port of exit will not number these forms but will stamp and return one copy to the owner of the goods and hold the original for substitution within six days of the date of entry by completed sets fo forms, **one set per consignee**, for exports in any one day or any one ship, as specified in paragraphs 5(b) and 5 (c) above.

6. The Canadian dollar values entered in columns **K** and **L** must not include any freight, insurance, handling or other charges included in the selling price. (For conversion of other currencies into Canadian dollars, see Customs Memo D No. 106.) It should be noted that column **K** should be used when the goods for exportation are classed as "domestic products", and column **L** when they are "foreign or imported products". If column **L** is applicable, the country of origin of the goods exported should be shown in the space provided at the foot of the column. The following points should be noted:

(a) Goods exported from a Customs bonded warehouse are to be reported on this form, the Canadian dollar value less charges being shown in column **L**. The form is to be marked at the top: "ex-warehouse for statistics".

(b) Goods exported from an excise warehouse are to be reported on this form, the Canadian dollar value less charges being shown in column **K**. The form is to be marked at the top: "ex-warehouse for statistics".

(c) This form is required for coin or bullion exported.

7. The kinds of currency which may be accepted for exports to different countries are specifically covered by the Foreign Exchange Control Act and Regulations and full information thereon may be obtained from the Board or from banks. Care should be taken to ensure that the Board's requirements in this respect are met before completing the form and signing the certificate in Section S.

If payment of the full value of the goods has been, or will be, received in accordance with the Board's requirements Section **N** should be completed. **Where payment is to be received in foreign exchange the relative amounts in the appropriate currency should be shown in Column 1 and the Canadian dollar equivalent of these amounts should be shown in Column 2. Where such payment is to be received in Canadian dollars, only Column 2 should be completed.**

Unless payment of the full value of the goods has been, or will be, received in accordance with the Foreign Exchange Control Act and Regulations Section **O** must be completed instead of Section N and in that event the approval of an authorized dealer (Canadian branch bank) or of the Board in Section **P** is usually necessary. Examples of cases in which no special approval is required are:—

(a) Exports to Newfoundland:

(b) Exports of gifts to a value not exceeding $100 per shipment; and

(c) Exports of goods purchased by a non-resident tourist while in Canada as bona-fide tourist purchases which are shipped to the non-resident tourist by the Canadian vendor of the goods; in such a case the form must be marked "bona-fide tourist purchase."

8. It should be noted particularly:

(a) That a "general" entry is not acceptable in which the shipments of several shippers to the same consignee are "bulked" together without specifying the particulars of each shipment and the name of the owner in each instance; and

(b) That when drawback of customs duty is claimed an extra copy or copies of this form marked "subject to drawback", should accompany the goods to the frontier port of exit.

9. No charge will be made by Customs officers for the certification of extra copies of this form required for drawback sales tax or other purposes provided that such extra copies are submitted to the Collector along with the set of forms filed at the time of export.

(a) goods shipped to Canada direct from or originating in, Newfoundland;
(b) periodical publications; and
(c) for an amending or a perfecting entry.

2. The same particulars are to be given on this form as on the set of Customs Import Entry forms B. 1, B.5 or B.11, which it accompanies, except that the affidavits on the back of the Customs forms are not necessary. The form is designed so that it may, if desired, be completed as a carbon copy of Customs form B.1, B.5 or B.11, in which case it is to be inserted as the third copy in the set. In addition the importer **must** show in the space provided **either** (1) the number of his BD or NS permit, if any, **or** (2) if the importer does not hold such permit he must show the name and full address of his Authorized Dealer (Canadian branch bank).

When Customs entry is passed, the Collector will sign, number, and port date the form and return it to the importer for use in support of an application to his Authorized Dealer for foreign exchange or to pay Canadian dollars to a non-reisdent in settlement for the goods.

A Collector may not certify in any way Form E other than the original form presented at the time of accepting the relative import entry and it is therefore important that the form be carefully preserved for use for this purpose.

NOTE: Signature of this application by the importer or his attorney constitutes a declaration to the Board and to the Collector of Customs and Excise at the port or outport in question that all the particulars and information given are true and correct.

3. If the importer named in the form has bought the imported goods from a resident of Canada who will be making payment to a non-resident supplier of the goods, the importer, after receiving the form back from Customs, should fill in the following particulars and deliver the form to his resident vendor. (The expression "resident of Canada" includes a non-resident operating a special resident bank account in Canada under permit from the Board).

FORM K—INSTRUCTIONS

(The following instructions are varied in certain respects in the cases of transactions by Authorized Dealers and trust companies. Authorized Dealers and trust companies should refer for particulars to the Instructions issued to them by the Board.)

When Permit Required

1. A permit on Form K approved by or on behalf of the Foreign Exchange Control Board is required:

(a) For every sale, assignment, transfer or delivery of securities by a resident to a non-resident. (This applies to transactions in any securities whether the transactions are effected in Canada or outside Canada and whether or not an export or import of securities is involved. A resident broker or dealer who is effecting a purchase of securities in Canada for a non-resident is regarded as the resident selling such securities to the non-resident even though the broker or dealer is acting as agent and not as principal in the transaction.)

(b) For every export of securities from Canada. (A permit on Form K authorizing a sale, assignment, etc., to a non-resident may also be used as a permit to export the securities in question if the export is made within 30 days; otherwise a separate permit is required for the export of the securities.)

Transactions by Appointed Security Dealers

2. Chartered banks, certain trust companies and offices in Canada of firms which are active members of Canadian stock exchanges or the Investment Dealers' Association of Canada are designated as Appointed Security Dealers and are authorized to approve on behalf of the Board permits on Form K for certain transactions undertaken by themselves as principals or agents in accordance with the provisions of the Board's Instructions to Appointed Security Dealers.

3. (a) In connection with transactions which an Appointed Security Dealer has authority to approve, Form K is to be completed in triplicate when an export of securities is involved and in duplicate in other cases. Permits approved by each Appointed Security Dealer are to be numbered serially 1, 2, 3, etc. commencing with a new series at the beginning of each year. (In the case of banks, such serial numbers are to be preceded by the bank and branch transit numbers.) All copies of each permit are to be given the same number. The copies of the form are to be dealt with as follows:

(i) One copy is to be forwarded by the Appointed Security Dealer to the Board at Ottawa upon completion by the Appointed Security Dealer of the certificate in Section G (where applicable);

(ii) One copy is to be kept by the Appointed Security Dealer for his records; and

(iii) Where the securities are being exported, a third copy is required and is to be surrendered to the Post Office at the time of mailing. The Post Office is to stamp the form in Section L below and forward it to the Board at Ottawa.

(b) Where a transaction requiring a permit on Form K is not within the authority of an Appointed Security Dealer to approve, Form K in triplicate where an export of securities is involved and in duplicate in other cases is to be completed and submitted to the Board for consideration. If the permit is granted, the Board will return the forms to the Appointed Security Dealer duly approved. The Appointed Security Dealer will then deal with such forms in the manner described in (a) above.

Other Transactions

4. In connection with transactions requiring a permit on this form which are not being effected by an Appointed Security Dealer, the applicant will submit Form K in triplicate to a chartered bank or direct to the Board for consideration. If the permit is granted the appropriate copy(ies) will be returned to the applicant's Authorized Dealer. One of these copies will be for presentation where necessary to the transfer agent or registrar of the securities as the latter's authority to effect a transfer or change of registration to a non-resident in accordance with the Board's Notice to Transfer Agents and Registrars and/or for surrender to the Postmaster at the time of export of the securities.

Transfer Agents and Registrars

5. Except as provided in the Board's Notice to Registrars and Transfer Agents, a registrar or transfer agent may record a transfer of securities from the name of a resident to the name of a non-resident only where a permit on Form K approved by the Board or by an Appointed Security Dealer authorizing the transfer is exhibited to the registrar or transfer agent. The registrar or transfer agent will record in Section K below that a transfer of the securities has been recorded and return the form to the person presenting it.

Il sera loisible au ministre des Travaux publics de rejeter tout vaisseau qui pourrait être mis en service sur ledit passage d'eau en quelque temps que ce soit, ou de rejeter son commandant s'il les considéraient tous, ou l'un d'eux respectivement, impropres au service ou incapables de satisfaire aux besoins du public.

Article quatrième

L'adjudicataire doit faire éteindre tous les feux dans les automobiles et faire arrêter les moteurs des automobiles immédiatement après que chaque automobile aura pris place à bord du bateau-passeur, et il doit voir à ce qu'ils soient maintenus dans cet état jusqu'à ce que le bateau soit amarré au quai ou débarcadère auquel il accoste.

Article huitième

L'adjudicataire ne doit jamais transporter sciemment, ni permettre ou tolérer qu'il soit transporté, sur ledit passage d'eau, des articles de contrebande de quelque description que ce soit.

Article neuvième

Il sera loisible au Gouverneur en conseil de changer ou de modifier l'horaire des traversées et le tarif des droits de péage susmentionné, s'il le juge expédient dans l'intérêt public. L'adjudicataire et les conseils de la ville de Pembroke, Ontario, et de la municipalité de l'Ile-aux-Allumettes, P.Q., auront droit d'être entendus avant qu'un changement soit fait. Avis de ces changements ou modifications sera publié dans la *Gazette du Canada*, tel que prescrit à l'article 8 du Chapitre 68 des Statuts revisés du Canada, 1927, qui a pour titre: *"Loi concernant les passages d'eau"*, et l'adjudicataire en sera officiellement averti par le Ministre des Travaux publics et, après la date de cet avis, l'adjudicataire devra mettre en vigueur l'horaire des traversées ainsi modifié, et ne devra pas percevoir ou recevoir des droits de passage ou de péage autres ou plus élevés que ceux qui seront prescrits par le tarif ainsi modifié, et ce tant que ce tarif sera en vigueur.

On acceptera, au lieu des deux cautions susdites, un cautionnement au montant exigé, émis par une société de garantie autorisée.

Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse de signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada,* comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. *Une compagnie de chemin de fer ou de canal*—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. *Une compagnie de télégraphe ou de téléphone*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'eexrcer des opérations;

3. Une compagnie ayant pour objet *l'exécution d'entreprises* dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des *droits ou privilèges exclusifs,* ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. *Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt,* ou *compagnie industrielle,* sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis; et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particuièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement, d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et, lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention; "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examinateur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédictent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas; crochets, italique, texte souligné, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte, doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimée en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant, que possible, à la réimpression des bills.

Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation, doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ses ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal, cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province au territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des

droits ou privilèges exclusifs ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examinateur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement, de voie ferrée ou de canal, ne sera prise en considération par l'examinateur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et ayant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

(*a*) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache.	$ 100
(*b*) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session..	100
(*c*) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session.	200
(*d*) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas $250,000.. ..	100
(*e*) Lorsque le capital-actions projeté d'une compagnie dépasse $250,000, mais n'est pas supérieur à $500,000..	200
(*f*) Lorsque le capital-actions projeté d'une compagnie dépasse $500,000, mais n'est pas supérieur à $750,000..	300
(*g*) Lorsque le capital-actions projeté d'une compagnie dépasse $750,000, mais n'est pas supérieur à $1,000,000..	400
(*h*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,000,000, mais n'est pas supérieur à $1,500,000..	600
(i) Lorsque le capital-actions projeté d'une compagnie dépasse $1,500,000, mais n'est pas supérieur à $2,000,000..	800
(*j*) Pour chaque million de dollars de capital-actions additionnel ou fraction de million..	200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante le droit additionnel à débourser est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) (*a*) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

(*b*) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas (*b*) ou (*c*) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examinateur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté

une formule de bill-type, être rédigé en conformité de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE DU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.

Ce dépôt sera remis au déposant dès que lesdits bleus et devis seront retournés au ministère, pourvu que la chose soit faite pas plus tard qu'un mois après la date fixée pour la réception des soumissions. Si les bleus et le devis ne sont pas remis au ministère dans ce délai, le dépôt sera confisqué.

On ne tiendra compte que des soumissions qui seront faites sur la formule fournie par le ministère et en conformité des conditions qui y sont stipulées.

DEPARTMENT OF THE SECRETARY OF STATE OF CANADA

THE Secretary of State of Canada gives notice that the following partial statements of fees, charges or royalties which may be collected by Composers Authors and Publishers Association of Canada Limited in compensation for the issue or grant of licences for or in respect of the performance of its works in Canada for the year 1947 are the partial statements approved by the Copyright Appeal Board and transmitted to the Secretary of State of Canada by the said Board. These statements are published in accordance with the provisions of Section 10 B (7) of the Copyright Amendment Act, as amended by 1 Ed. VIII, Chap. 28, 1936.

Ottawa, 7th January, 1947.

PARTIAL STATEMENTS OF FEES, CHARGES OR ROYALTIES WHICH MAY BE COLLECTED BY COMPOSERS AUTHORS AND PUBLISHERS ASSOCIATION OF CANADA LIMITED

TERMS

(1) Except where otherwise stated herein and in the tariffs, the full amount of the licence fees shall be payable in advance of the period licensed. Where the fee for a twelve months' period of operation is $40 or more, the fee may be paid in equal instalments, quarterley or half yearly. Fees payable by radio broadcasting stations shall be payable monthly in advance.

(2) All overdue fees, after sixty days from the date upon which the Association has posted in the ordinary course of mail a notice in writing addressed to the person from whom the fee is claimed, specifying the amount of the fee claimed, shall be subject to an extra payment of ten per cent and to such other remedies as the Association may be entitled.

(3) The fee for a licensed period shall be based on the extent of musical performances to take place during the licensed period, as stated by the Licensee in his form of application for licence. In the event of the extent of musical performance, as therein stated, being exceeded at any time, the Licensee shall promptly notify the Association thereof and pay the additional fee for such excess in accordance with the Association's tariffs. Should the Licensee fail so to notify the Association, or fail to make payment of such additional fee, then, (*a*) all moneys paid on account of the then current licence period shall be applied by the Association on account of the licence fee due in accordance with such increased extent of performance, and (*b*) the period licensed shall be deemed to be that part period for which the moneys paid are sufficient fully to satisfy licence fees at the approved Tariff rate, (*c*) the licence may be cancelled by the Association after thirty days from the date upon which the Association has posted, in

the ordinary course of mail, a notice in writing addressed to the holder of the licence, advising him of the Association's intention to cancel the licence. The Association, in the said notice, shall specify the amount of the additional fee claimed and if the holder pays to the Association the additional fee so claimed within the said period of thirty days, the proposed cancellation shall not go into effect.

Next 25,000 of attendance or part thereof ·2c per person.

Immediately after the close of the Exhibition, the Exhibition management is required to certify the total actual attendance and the Licensee then to make payment of any balance due.

For the purposes of this tariff an Exhibition at which there is a total attendance of at least 50,000 persons is considered a "large Exhibition".

5. DANCE HALLS, RESTAURANTS, SKATING RINKS, SPORTS GROUNDS AND SMALL HOTELS

(i.e. small hotels having less than 50 guest rooms and licensed to sell beer or wine or both.)

NOTE.—The tariff of fees prescribed for hotels applies to the use of music other than by way of radio receiving sets and gramophones and to which the exemption within the terms of Section 4 of Chapter 27, 2 George VI, 1938, does not apply.

The Licensee is offered the choice of the following Alternative Tariffs. Of course not more than one tariff is chargeable for the same musical performance.

Minimum Annual Fee in all cases, $5.00.

A "performer hour" is defined as one hour of any musical performance by one performer (musician, orchestra leader or vocalist).

Annual Fees are determined as follows:

(*a*) *The Maximum Use Basis of Charge:*

A licence on this basis entitles the Licensee to perform to any extent within the maximum use as

applied for. The rate is 1½ cents for each "performer hour" calculated on the maximum number of "performer hours". The maximum number of "performer hours" is arrived at by multiplying together the following four factors:—

(1) The greatest number of performers (including musicians, orchestra leader and vocalists) that may be employed at any time during the licence year.

(2) The greatest number of hours of all or any musical performance during which is desired a licence to perform in any day wholly or in part from the Association's repertoire.

(3) The greatest number of days per week during which a licence is desired.

(4) The number of weeks occurring between the opening and closing dates of the period of time within which musical performances may take place. Any period less than thirteen weeks is charged as thirteen weeks.

(*b*) *The Actual Use Basis of Charge:*

On this basis the rate is 3 cents per "performer hour" on the actual number of "performer hours" reckoned on a day by day basis during the licence year. At the commencement of the year, the number of "performer hours" for the year shall be estimated by the applicant and an advance payment shall be made for the amount of the fee chargeable thereon. The Licensee shall report, at the end of the licence year or of each operating season within the licence year, the actual number of "performer hours" during such period, giving dates and times of all musical performances and the number of performers engaged thereat. At such times the Licensee shall make payment of any balance due.

(*c*) *Occasional Entertainments:*

For an Annual Licence covering occasional entertainments, a minimum fee of $5 is payable in advance. The rate for each entertainment is as follows:—

Capacity	*Rate*
Under 200 persons	$1 00

Licensees shall advise the Association, quarterly, of all concerts held and shall pay, quarterly, any amount due in excess of the $5 paid in advance.

7. HOTELS HAVING 50 ROOMS OR MORE

(*a*) *Orchestra:*

The Fee payable is determined as follows:—

(1) An initial payment is required annually in advance in an amount calculated at the rate of 10 cents per room charged on the total room capacity of the hotel, the minimum initial payment being $15.00.

(2) At the end of each quarter an additional payment is required in an amount determined by multiplying the number of rooms in the hotel by the units of performance, by the number of months within which music is at times performed, by the rate (1c. or less).

The rate is determined as follows:—

If the hotel's average daily occupancy in the months within which music is at times performed is 80 per cent or over, the rate is 1c. If occupancy falls below 80 per cent, the rate is 1c. less a deduction of 2 per cent thereof for each 1 per cent that occupancy falls below 80 per cent.

Units of performance are determined as follows:—

Music at Lunch time (12 noon to 2 p.m.)	2
Music at Tea time (2 p.m. to 5 p.m.)	2

That "Canuck Explorers Limited" the recorded owners of mineral claims "Vega" 1 to 6 and "Joe" 4 to 6, both inclusive, situated in the Yellowknife mining district in the Northwest Territories, neglected to file an application for an extension of time for the performance of representation work upon the said mineral claims before October 4, 1946, as required by the Regulations for the disposal of Quartz Mineral Claims on Dominion Lands in the Northwest Territories;

That the Secretary of the company has filed an affidavit to the effect that a letter was written from his office, enclosing a cheque for $45, to the Mining Recorder at Yellowknife on September 17, 1946, and that not receiving a reply to his letter he communicated with the Mining Recorder and was advised by him on October 29, 1946, that the letter with the cheque had not been received, by which time the claims had already lapsed.

The Committee, therefore, on the recommendation of the Minister of Mines and Resources, advise that, pursuant to the Dominion Lands Act, Chapter 113 R.S.C. 1927, authority be granted to reinstate the nine mineral claims above mentioned at the risk of the holder in whose name these claims were recorded subject to the rights of any persons who may have acquired any interest under the provisions of the said Regulations covering the whole or any portion of the ground and further authority be granted to the Minister of Mines and Resources to accept the requisite fee and grant an extension of time not beyond the 30th June, 1947, within which to perform upon the said mineral claims the representation work prescribed by Section 52 of the said Regulations.

CONDITIONS

(1) A moins qu'il n'en soit autrement spécifié dans les présentes et dans les tarifs, le plein montant des droits de licence est payable d'avance pour la période autorisée. Lorsque la redevance pour une période de douze mois est de $40 ou plus, elle peut être payée en versements égaux soit trimestriellement, soit semestriellement. Les redevances des stations radiophoniques doivent être acquittées d'avance tous les mois.

(2) Toutes les redevances échues seront, soixante jours après la date à laquelle l'Association a déposé à la poste régulière un avis par écrit, adressé à la personne dont on réclame la redevance, en en spécifiant le montant, sujettes à un paiement supplémentaire de dix pour cent et à tous autres recours auxquels l'Association peut avoir droit.

(3) La redevance pour une période autorisée sera basée sur l'étendue de l'exécution des œuvres musicales à produire pendant la période autorisée, tel que déclaré par le titulaire dans sa demande de licence. Dans le cas où l'exécution d'un programme musical excédera le temps spécifié dans la demande, le titulaire devra promptement avertir l'Association de ce fait et payer la redevance supplémentaire pour le temps dépassé, conformément aux tarifs de l'Association. Si le titulaire néglige de donner à l'Association un avis de ce genre ou de payer la redevance supplémentaire susdite, alors (*a*) tout l'argent payé sur la licence pour la période courante sera appliqué par l'Association comme acompte sur la redevance pour la licence due en conformité du surtemps exigé pour l'exécution, et (*b*) la période autorisée sera censée être la partie de la période pour laquelle l'argent payé suffit amplement à couvrir les redevances de la licence suivant le tarif approuvé; (*c*) la licence peut être annulée par l'Association trente jours après la date à laquelle l'Association aura déposé à la poste régulière un avis par écrit adressé au détenteur de la licence pour l'avertir de l'intention de l'Association d'annuler sa licence. Dans ledit avis l'Association spécifiera le montant de la redevance supplémentaire réclamée et si le titulaire paie à l'Association, dans un délai de trente jours, la redevance supplémentaire ainsi réclamée, l'annulation proposée ne prendra pas effet.

Le titulaire de licence a le droit de choisir entre les tarifs alternatifs suivants. Naturellement, il ne peut être imposé plus d'un tarif pour la même exécution musicale.

Redevance annuelle minimum dans tous les cas, $5.00.

Une "heure d'exécutant" comprend une heure d'exécution musicale par un seul exécutant (instrumentiste, chef d'orchestre ou chanteur).

Les redevances annuelles sont fixées comme suit:

(*a*) *Sur base du maximum:*

Une licence accordée d'après cette base donne droit au titulaire de procéder à toute exécution qui restera dans les limites du maximum mentionné dans la demande de licence. Le taux est de 1½c. pour chaque "heure d'exécutant" calculé sur le nombre maximum "d'heures d'exécutants". Ce nombre ma-

mixum "d'heures d'exécutants" s'obtient en multipliant les uns par les autres les quatre facteurs suivants:

(1) Le plus grand nombre d'exécutants (comprenant les instrumentistes, le chef d'orchestre et les chanteurs) qui peuvent être employés en tout temps pendant l'année de la licence;

(2) Le plus grand nombre d'heures d'une ou de toute exécution musicale pendant laquelle on désire dans une journée quelconque une licence pour exécuter, en tout ou en partie, une ou plusieurs œuvres du répertoire de l'Association;

(3) Le plus grand nombre de jours par semaine pendant lesquels une licence est désirée;

(4) Le nombre de semaines entre les dates d'ouverture et de fermeture de la période pendant laquelle des exécutions musicales peuvent avoir lieu, mais jamais moins de treize semaines.

(*b*) *Sur base réelle:*

Sur cette base, le taux est de trois cents pour chaque "heure d'exécutant", calculé d'après le nombre réel "d'heures d'exécutants" au jour le jour pendans l'année de la licence. Au commencement de l'année, le nombre "d'heures d'exécutants" pour l'année sera établi par le requérant et un paiement anticipé sera effectué pour le montant de la redevance exigible. A la fin de l'année de la licence, ou de chaque saison active pendant l'année de la licence, le titulaire rapportera le nombre réel "d'heures d'exécutants" pendant une telle période, en donnant les dates et les heures de toutes les exécutions musicales et le nombre d'exécutants qui y participent, le titulaire devant à cette occasion faire remise de tout solde dû.

Ce taux est fixé de la manière suivante:

Si l'occupation journalière moyenne de l'hôtel est de 80 p. 100 ou plus, dans les mois où il est exécuté de la musique de temps à autre, le taux sera de 1c. Avis de bills privés

107. Toute demande adressée au Parlement pour obtenir un bill privé doit être annoncée par avis publié dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et désigner l'adresse de signataires; et si la demande a pour objet l'obtention d'une loi en constitution de corporation, l'avis doit aussi mentionner le nom de la compagnie dont la constitution est projetée.

Outre l'avis dans la *Gazette du Canada,* comme susdit, pareil avis doit être donné de la façon suivante:

(A) Lorsque la demande a pour objet l'obtention d'une loi constituant en corporation:

1. *Une compagnie de chemin de fer ou de canal*—dans un des principaux journaux de la principale cité, ville ou village de chaque comté ou district par où doit passer le chemin de fer ou le canal dont la constitution est projetée;

2. *Une compagnie de télégraphe ou de téléphone*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire dans lequel la compagnie se propose d'eexrcer des opérations;

3. Une compagnie ayant pour objet *l'exécution d'entreprises* dont l'exécution ou l'exploitation pourrait spécialement affecter une localité particulière, ou cherchant à obtenir des *droits ou privilèges exclusifs,* ou voulant accomplir toute affaire ou chose dont l'accomplissement affecterait les droits ou propriétés d'autrui—dans un des principaux journaux de l'endroit ou des endroits particuliers que le projet de loi peut affecter;

4. *Une compagnie de banque; compagnie d'assurance; compagnie fiduciaire; compagnie de prêt,* ou *compagnie industrielle,* sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement;

5. Et si les entreprises d'une compagnie (constituée ou à constituer) doivent être déclarées d'utilité publique au Canada, cette intention doit être expressément mentionnée dans l'avis; et les requérants doivent adresser une copie de cet avis, sous pli recommandé, au secrétaire de chaque conseil de comté et de chaque corporation municipale pouvant être particuièrement affectée par l'exécution ou l'exploitation de ces entreprises, ainsi qu'au secrétaire de la province dans laquelle des entreprises sont ou peuvent être situées; et la preuve de l'observation de cette prescription par les requérants doit être établie par une déclaration statutaire.

(B) Lorsque la demande a pour objet de modifier une loi existante:

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient—l'avis doit être le même *mutatis mutandis* que celui pour l'obtention d'une loi constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la construction ou l'achèvement, d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres entreprises déjà autorisées—dans un des principaux journaux de l'endroit où la compagnie a ou est autorisée à avoir son siège social;

3. Afin d'élargir les pouvoirs d'une compagnie (sans comporter attribution de droits exclusifs); d'accroître ou de réduire le capital social d'une compagnie; ou d'augmenter ou modifier son pouvoir d'émettre des obligations ou ses autres pouvoirs d'emprunt; ou de présenter un amendement pouvant porter atteinte aux droits ou aux intérêts des actionnaires, des détenteurs d'obligations ou des créanciers de la compagnie—dans un des principaux journaux du lieu de son siège social.

(C) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, doivent être publiés au moins une fois par semaine pendant quatre semaines consécutives; et, lorsqu'ils sont publiés dans les provinces de Québec et du Manitoba, ils doivent être en langues anglaise et française.

Des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis doivent être adressés au greffier du Sénat et porter la mention; "Avis de bill privé"; au lieu des journaux, une déclaration statutaire attestant que l'avis a été régulièrement publié peut être adressée au greffier du Sénat.

Tout avis adressé sous pli recommandé doit être mis à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale deux semaines au moins avant l'examen de la pétition par le comité des ordres permanents; et une déclaration statutaire établissant le fait de la mise à la poste doit être transmise au greffier du Sénat.

108. Nulle pétition demandant la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou le prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, ne doit être étudiée par le comité des ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé de l'entreprise, ainsi que chaque comté, canton, district ou municipalité par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement dont la construction est projetée.

110. Toute pétition tendant à obtenir un bill privé ne sera reçue par le Sénat que si elle a été déposée chez le greffier du Sénat au cours des six premières semaines de la session; et tout bill privé introduit au Sénat doit être présenté au Sénat dans un délai de deux semaines après que l'examinateur des pétitions ou le comité des ordres permanents aura fait un rapport favorable à la pétition se rapportant à ce bill; et aucune motion demandant la suspension du présent ordre permanent ne sera prise en considération à moins que le comité des ordres permanents n'ait au préalable présenté un rapport recommandant pareille suspension.

114. Toute personne qui désire présenter un bill privé doit remettre au greffier du Sénat, s'il est projeté que le bill prenne naissance au Sénat, une copie du bill en anglais ou en français, avec un montant suffisant pour en payer la traduction, laquelle sera faite par les fonctionnaires du Sénat; elle doit aussi payer les frais d'impression de 600 exemplaires anglais et de 200 exemplaires français. Le requérant doit pareillement verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant sa mise à l'étude par le comité auquel il est renvoyé, la somme de deux cents dollars avec les frais d'impression de la loi pour l'incorporer dans les Statuts; et il doit remettre au greffier de ce comité un reçu de ce versement.

La taxe à acquitter lors de la deuxième lecture d'un bill n'est payée qu'à la Chambre où le bill est présenté.

Modèle d'un bill amendant une loi

60A.—(1) Dans la confection des bills amendant des textes législatifs existants, les amendements ne doivent pas ordinairement être effectués au moyen de clauses qui ajoutent, retranchent ou remplacent des mots, mais au moyen de clauses qui réédictent l'article, le paragraphe ou la disposition, telle qu'amendée.

(2) Dans le texte du bill, sur la page de gauche, le nouveau texte doit être indiqué par les signes typographiques les plus appropriés à chaque cas; crochets, italique, texte souligne, astérisques, etc. En regard de chaque clause, sur la page de droite, le texte amendé par le bill, ou la partie importante de ce texte, doit être imprimée, et les changements projetés doivent y être indiqués de la manière prévue ci-dessus.

(3) Lorsqu'une clause abroge un article existant, un paragraphe ou une autre disposition d'un article, cet article, ce paragraphe ou cette autre disposition, ou la partie qui en est importante, doit être imprimée en regard de la clause.

(4) Un mémoire du rédacteur expliquant brièvement les motifs de chaque clause doit être annexé au bill, ou distribué avec le bill. Lorsque possible, le mémoire doit être imprimé sur la page de droite du bill, en paragraphes placés en regard des clauses visées, et portant un numéro correspondant.

(5) Les règles ci-dessus s'appliquent, autant, que possible, à la réimpression des bills.

L. C. MOYER,
Greffier du Sénat.

CHAMBRE DES COMMUNES

EXTRAIT DU RÈGLEMENT DE LA CHAMBRE DES COMMUNES TOUCHANT LA PUBLICATION DES AVIS

95. (1) Toute pétition introductive de bill privé de quelque nature qu'il soit, doit être annoncée par avis publié dans la *Gazette du Canada*. Cet avis doit exposer clairement et distinctement la nature et l'objet du bill projeté; il doit être signé par les pétitionnaires ou en leur nom, avec indication de l'adresse des signataires. Si la pétition tend à une loi de constitution en corporation, l'avis doit mentionner le nom de la compagnie projetée. Si les travaux d'une compagnie, qu'elle soit constituée en corporation ou qu'il s'agisse de la constituer en corporation, doivent être reconnus comme étant destinés à profiter au Canada d'une manière générale, l'avis doit énoncer cette intention expressément, et les pétitionnaires doivent faire parvenir une copie de cet avis par lettre recommandée, au secrétaire de chaque comté ou municipalité que la construction ou la mise en œuvre de ses ouvrages peut intéresser, ainsi qu'au secrétaire de la province où ces mêmes ouvrages sont ou pourront être situés. Tout avis ainsi expédié par lettre recommandée doit être mis à la poste assez tôt pour arriver à destination au moins deux semaines avant la prise en considération du bill par le comité auquel il peut être renvoyé. La preuve que les requérants se sont conformés à cette règle s'établit au moyen d'une déclaration statutaire.

(2) Outre l'avis devant figurer dans la *Gazette du Canada*, il doit en être publié un semblable dans quelque journal important, comme suit:

(A) 1. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de chemin de fer ou de canal, cet avis similaire doit être publié dans la principale cité, ville ou municipalité de village de chaque comté ou district que doit traverser le chemin de fer ou le canal projeté;

2. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie de télégraphe ou de téléphone, cet avis similaire doit être publié dans la principale cité ou ville de chaque province au territoire où la compagnie en question se propose d'établir son service;

3. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation une compagnie créée en vue de la construction de tous ouvrages dont l'établissement ou la mise en œuvre pourrait intéresser tout particulièrement une localité quelconque, ou en vue de tous droits ou privilèges exclusifs, ou encore en vue de toute opération qui pourrait porter atteinte aux droits ou aux biens d'autrui, cet avis similaire doit être publié dans les diverses localités où la loi projetée pourrait porter atteinte aux affaires, droits ou biens d'autres personnes ou compagnies;

4. Lorsqu'il s'agit de faire voter une loi à l'effet de constituer en corporation un établissement bancaire, une compagnie d'assurance, une compagnie de fiducie, une compagnie de prêts ou une compagnie industrielle non dotée de pouvoirs exclusifs, il suffit d'un avis dans la *Gazette du Canada*.

(B) 1. Lorsque la pétition a pour objet de modifier une loi existante en vue de prolongement de tout chemin de fer ou canal ou de la construction d'un embranchement de voie ferrée ou de canal, il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité, ville ou municipalité de village de chaque comté ou district devant être desservi par ce prolongement ou cet embranchement.

2. Lorsque la pétition a pour objet de modifier une loi existante en vue de prorogation du délai fixé pour la construction ou l'achèvement de toute ligne de chemin de fer, de tout embranchement ou prolongement de ligne de chemin de fer, de tout canal, de tout réseau télégraphique ou téléphonique, ou de tout ouvrage déjà autorisé il est publié un avis à l'endroit où se trouve le siège social de la compagnie et dans la principale cité ou ville de chaque district intéressé.

3. Lorsque la pétition a pour objet de modifier une loi existante en vue de la continuation d'une charte ou de l'extension des pouvoirs d'une compagnie (quand elle ne comporte pas la concession de droits exclusifs); ou en vue de l'augmentation ou de la réduction du capital-actions d'une compagnie quelconque; ou en vue de l'accroissement ou de la modification de sa faculté d'émettre des obligations ou de contracter des emprunts d'un autre genre; ou encore en vue de toute modification touchant aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, il est publié un avis à l'endroit où est situé le siège social de la compagnie ou à l'endroit où la compagnie est autorisée à établir son siège social.

(C) Lorsque la pétition a pour objet d'obtenir, pour quelque personne ou corporation existante, des droits ou privilèges exclusifs ou encore la faculté d'accomplir une chose dont la mise en œuvre intéresserait les droits ou biens d'autrui, il est publié un avis dans les localités où les affaires, les droits ou les biens d'autrui peuvent être spécialement compromis par la loi projetée.

(3) Tout avis de ce genre, qu'il soit inséré dans la *Gazette du Canada* ou dans un journal, doit être publié au moins une fois par semaine durant une période de quatre semaines consécutives. Lorsque la pétition prend naissance dans la province de Québec ou dans la province du Manitoba, l'avis en doit être publié en anglais dans un journal anglais et en français dans un journal français, ainsi qu'en anglais et en français dans la *Gazette du Canada*. S'il n'y a pas de journal dans la localité où il faut annoncer ladite pétition l'avis doit être publié à l'endroit le plus rapproché où est imprimé un journal. La preuve que l'avis en question a été dûment publié s'établit, dans chaque cas, par voie de déclaration statutaire. Toute déclaration de cette nature doit être envoyée au greffier de la Chambre, et elle doit porter au dos l'indication: "Avis de bill privé".

Pétitions introductives de bills privés

92. Nulle pétition introductive de bill privé n'est reçue par la Chambre si elle n'est pas présentée dans les six premières semaines de la session. Tout bill privé prenant naissance à la Chambre des communes doit y être présenté dans les deux semaines qui suivent le jour où la pétition a été rapportée favorablement par l'examinateur des pétitions ou par le comité du Règlement. Nulle motion portant suspension du présent article ne peut être accueillie à moins que le comité du Règlement n'ait préalablement présenté un rapport recommandant cette suspension, en y consignant les motifs de sa décision.

97. Nulle pétition portant constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie se proposant d'exploiter un canal, ou portant prolongement d'une ligne de chemin de fer ou d'un canal existant ou autorisé, ou portant construction d'un embranchement, de voie ferrée ou de canal, ne sera prise en considération par l'examinateur, ou par le comité du Règlement, tant qu'il n'aura pas été déposé entre les mains dudit examinateur une carte ou un plan indiquant l'endroit où se trouveront ces ouvrages, et chaque comté, canton, municipalité ou district à travers lequel le chemin de fer, le canal, le prolongement ou l'embranchement projeté doit être construit.

Bills privés

93. (1) Quiconque désire obtenir un bill privé doit déposer entre les mains du greffier de la Chambre, au plus tard le premier jour de la session, une copie de ce bill en anglais ou en français, ainsi qu'une somme suffisante pour en défrayer la traduction, qui est faite par le personnel de la Chambre, et l'impression, qui est exécutée par le département des impressions publiques.

(2) Le promoteur d'un bill privé doit, après la deuxième lecture de ce bill et ayant sa prise en considération par le comité qui en est saisi, défrayer l'impression de la loi dans le recueil des statuts et payer un droit de cinq cents dollars.

FRAIS ADDITIONNELS

(3) En sus des frais précités, les droits suivants doivent être imposés et payés:

(*a*) Lorsqu'il y a suspension d'un article du Règlement relativement à un bill ou à la pétition introductive qui s'y rattache.	$ 100
(*b*) Lorsqu'un bill est présenté en Chambre après la huitième semaine et avant l'expiration de la douzième semaine de la session..	100
(*c*) Lorsqu'un bill est présenté en Chambre après la douzième semaine de la session.	200
(*d*) Lorsque le capital-actions projeté d'une compagnie ne dépasse pas $250,000.. ..	100
(*e*) Lorsque le capital-actions projeté d'une compagnie dépasse $250,000, mais n'est pas supérieur à $500,000..	200
(*f*) Lorsque le capital-actions projeté d'une compagnie dépasse $500,000, mais n'est pas supérieur à $750,000..	300
(*g*) Lorsque le capital-actions projeté d'une compagnie dépasse $750,000, mais n'est pas supérieur à $1,000,000..	400

(*h*) Lorsque le capital-actions projeté d'une compagnie dépasse $1,000,000, mais n'est pas supérieur à $1,500,000.. 600

(i) Lorsque le capital-actions projeté d'une compagnie dépasse $1,500,000, mais n'est pas supérieur à $2,000,000.. 800

(*j*) Pour chaque million de dollars de capital-actions additionnel ou fraction de million.. 200

(4) Lorsqu'un bill porte augmentation du capital-actions d'une compagnie existante le droit additionnel à débourser est basé sur le tarif précité, et il n'y est fait état que du montant de l'accroissement.

(5) (*a*) Lorsqu'un bill tend à l'augmentation de la faculté d'emprunt d'une compagnie ou en comporte l'augmentation sans qu'il y ait accroissement du capital-actions, le droit additionnel est de trois cents dollars.

(*b*) Lorsqu'un bill porte augmentation à la fois du capital-actions et de la faculté d'emprunt d'une compagnie, le droit additionnel est perçu sur les deux.

(6) Si, à quelque phase du bill, il y a augmentation du capital-actions projeté d'une compagnie ou de sa faculté d'emprunt, le bill en question ne peut franchir une autre étape tant que ses promoteurs n'auront pas soldé les frais occasionnés par cette modification.

(7) Dans la présente règle, l'expression "capital-actions projeté" comprend toute augmentation de capital-actions prévue par le bill; et quand un bill porte faculté d'augmenter à quelque époque le chiffre du capital-actions, le droit additionnel est calculé sur le maximum de l'augmentation projetée, dont le bill fait mention.

(8) Les droits additionnels établis par la présente règle s'appliquent aussi aux bills privés qui ont pris naissance au Sénat; néanmoins, si la pétition introductive d'un bill privé de ce genre a été présentée à la Chambre des communes dans les six premières semaines de la session, les droits additionnels prévus aux alinéas (*b*) ou (*c*) du paragraphe 3 ne sont pas exigibles.

Du bill-type

96. (1) Le greffier en chef des bills privés remplit les fonctions d'examinateur des bills privés, et, comme tel, il est tenu d'étudier et de reviser tous les bills privés antérieurement à leur impression, en vue d'y établir une certaine uniformité, lorsque la chose est possible, et de s'assurer qu'ils ont été élaborés conformément aux articles du Règlement de la Chambre relatifs aux bills privés.

(2) Tout bill tendant à la constitution en corporation d'une compagnie doit, lorsqu'il a été adopté une formule de bill-type, être rédigé en conformité de ce modèle, dont il peut être obtenu des exemplaires du greffier de la Chambre. Toute disposition d'un bill de ce genre qui n'est pas conforme au bill-type doit être insérée entre crochets ou soulignée, et elle doit être imprimée de la sorte.

(3) Lorsqu'un bill privé porte modification d'un article, paragraphe ou alinéa quelconque d'une loi existante, ce même article, paragraphe ou alinéa doit être abrogé dans le texte du bill et reconstitué selon la modification que les auteurs du bill veulent y apporter, la nouvelle rédaction devant être soulignée. L'article, le paragraphe ou alinéa que les auteurs veulent faire abroger, ou encore ce qu'il renferme d'essentiel, doit être imprimé sur la feuille du côté droit en regard de ce même article, paragraphe ou alinéa.

(4) Lorsqu'un bill privé tend à abroger un article, paragraphe ou autre partie d'un article, cet article, ce paragraphe ou cette autre partie, ou encore ce qui s'y trouve d'essentiel, doit être imprimé en regard de l'article du bill.

(5) Une note établissant brièvement l'objet d'une disposition d'un caractère exceptionnel ou dont la teneur s'écarte des dispositions du bill-type ou des articles servant de modèle, doit être imprimée en regard de l'article du bill.

CARTE DU PLAN ACCOMPAGNANT LE BILL

98. Nul bill portant constitution en corporation d'une compagnie de chemin de fer ou de canal, nul bill tendant à faire autoriser la construction d'embranchements ou de prolongements se rattachant à des lignes de chemins de fer ou à des canaux existants, nul bill portant modification de la route suivie par un chemin de fer ou un canal exploité par une compagnie déjà constituée en corporation ne doit être pris en considération par le comité des chemins de fer tant qu'il n'aura pas été produit devant ledit comité, au moins une semaine avant la prise en considération du bill, une carte ou un plan établi sur une échelle d'au moins un demi-pouce au mille, indiquant le territoire sur lequel il est question de construire les ouvrages projetés et aussi les ouvrages analogues qui y ont déjà été construits ou autorisés, ou qui intéressent la région ou la partie de région devant être desservie par les services projetés. Cette carte ou ce plan doit porter la signature de l'ingénieur ou de toute autre personne qui l'a dressé.
